ASSIGNMENT FOLIO

We take this opportunity to express our sincere gratitude to Dezyne École College for providing us with the knowledge, resources, and guidance essential to the successful completion of this project.

Our deepest thanks to our respected Principal, Dr. Vinita Mathur, for her visionary leadership and continuous encouragement. Her commitment to academic excellence and student growth has been a constant source of motivation and pride.

We are equally thankful to all our faculty members for their consistent support, expert advice, and valuable insights that shaped our learning and helped us achieve this milestone.

Lastly, we extend heartfelt thanks to everyone who directly or indirectly contributed to the success to this project.

We are proud to be part of Dezyne École College, an institution that truly nurtures professionalism, innovation, and purpose.

With Sincere appreciation,

Dilkhush Kumar

Brand safety and suitability

Brand safety: Meta applies brand safety to all ads through our [Community Standards](#) and [Monetisation Policies](#), keeping your ads away from objectionable content.

Brand suitability: In some cases, brands want more control over where ads can appear. Brand suitability filters or excludes specific topics or publishers. Bear in mind that using these controls can lower your reach and increase costs.
